BIBLE STORY TIME

We had so much fun learning about Moses and how God helped him defeat Pharaoh. God helped Moses to be patient while he waited through all ten plagues and helped Moses lead the Israelites out of Egypt.

You can read the story about Moses vs. Pharaoh to your child in a children's Bible in Exodus 5-12.

PLAY TIME

Tell your child you're going to make ice cubes! Have them help you fill an ice cube tray and put it in the freezer. Tell them when the ice is frozen, you will enjoy a drink together. Have your child check on the ice after a few minutes. Tell them you will both need patience. Ask who helps us be patient? Then say the special words. "God [point up] helps me [point thumbs at yourself] be patient [clap]. Do this several times as the ice freezes. When the ice is frozen, enjoy a drink together.

PRAYER TIME

Have your child repeat this prayer after you.

Dear God,
[Dear God]
