BIBLE STORY TIME

We had so much fun today learning about a little girl who helped the commander of an army, Naaman, Naaman had a disease. A little girl helped him by telling him about the prophet Elisha. With God's help, Elisha was able to heal Naaman's leprosy, and Naaman learned that it was God who healed him. You can read of the little girl who helped Naaman with your child in 2 Kings 5:1-15 in a children's Bible.

MEAL TIME

Tell your child, “God helps us so much. Do you know that He gives us good food to eat to keep our bodies strong? Show me how strong you are! ... WOW! God really helps us and he wants us to help others. Let's think of someone we can help. Think of someone you know that is sick or going through a hard time. Ask your child to help think of something your family can do to help them, then do it. Let's say our Special Words. "God [point up] wants me [point two thumbs at yourself] to help others" [clap hands twice].

PRAYER TIME

Have your child repeat this prayer after you.
