Break the Ice

-Pastor Ron shared his “fish story.” What have you been a part of that is a little too good to be true?

Up

-Read John 20:24-29. What stands out, confuses, or challenges you from this passage or the message?

-If you’ve ever felt that your doubts disqualify you in some way, how does Jesus’ reaction to the disciples challenge that line of thought?

-What evidence do you hold to that give you a reasoned faith in the resurrection of Jesus? What has been your journey with wrestling with this reality?

In

-React to this quote: “Doubt is not always a sign that a man is wrong; it may be a sign that he is thinking.” -Oswald Chambers

-As we conclude the series on doubt, what practical steps do you want to take to engage your doubts in a healthy manner?

Out

-Jesus keeping His scars was important for the belief of others. What does this communicate to us today and the importance of our scars?

-What does it look like to “show up, doubts and all,” like Thomas did a week after missing Jesus’ first appearance?

Prayer

-Spend time praying as a group thanking God for the hope and peace we now have because of His life, death, and resurrection.
