WHAT TO EXPECT

Here's what you can expect at Raft Trip...

It will be a ton of fun!

From adventure activities to White Water Rafting to hanging out at an incredible Christian Camp, students will have a blast!

You will connect with others!

Raft Trip will be an experience specific to high school students from the Pathway Community Church area, and it will be an intentional time for students to connect with each other, build new friendships and grow closer together as a youth group!

You will connect with God!

We will take time each morning and evening of the camp to meet together, worship, share in small groups, and dive into the Word.

It's amazing what God does when we take a few days to get away and put our focus on Him.
