WHAT TO EXPECT

Here's what you can expect at Fall Retreat 2024 ...

It will be a ton of fun!

Timber Wolf Lake is a beautiful spot with a full-size gym, go kart track, zip line, and great spaces to just relax and have fun. They also have incredible food!

You will connect with others!

Fall Retreat will be an intentional time for students to connect with each other, build new friendships and grow closer together as a youth group!

You will connect with God!

We will take time each morning and evening of the retreat to meet together, worship, share in small groups and dive into the Word. It's amazing what God does when we take a few days to get away and put our focus on Him.
