The Bible [fold hands in the shape of a book] tells us to obey [point thumbs to self].

PLAY TIME

Play a game of hide and seek with your child's Bible. Have your child hide the Bible while you close your eyes. Then look for the Bible as your child gives you clues. Once you find the Bible, hug the Bible and say, "I love the Bible! Everything in the Bible is true!" Then say this week's special words together. "The Bible [fold hands in the shape of a book] tells us to obey [point thumbs to self]." Next, you take a turn hiding the Bible. Have your child look for the Bible and when they find it, encourage them to hug the Bible and say "I love the Bible! Everything in the Bible is true!" Then repeat the special words together. "The Bible [fold hands in the shape of a book] tells us to obey [point thumbs to self]."
