BIBLE TIME

Jesus' family & friends go to a wedding

John 2:1-11

Jesus, His mother Mary, and the disciples went to a wedding in Galilee. During the wedding the wine ran out, so Mary asked Jesus to help. Jesus told the servants to fill six jars with water and then to take some of it out to the host of the banquet. Jesus did a miracle and changed the water into wine. The host tasted the wine, not knowing where it came from, and said, "This is better than the wine we've already served." Jesus was always helping others and He wants us to help others, too.

You can read the story of Jesus going to a wedding to your child in the children's Bible in John 2:1-11.

DRIVE TIME

As you drive, talk about the people you will see. Think of ways you can help them while you are there. Can you help pick up toys? Can you help your brother or sister by carrying something for them? Can you be a helper in the grocery store? Remind them that Jesus helped others and we can help others, too.
