

REOPENING Project 5/Impulse

Service Times

- Impulse (6-8th grade) and Project 5 (5th grade) will be open at the 9:00 am and 11:00 am services starting August 16, 2020.
- We will not be offering Project 5/Impulse on Saturday nights at this time. Our hope is to relaunch Saturday night in tandem with PCC Kids Ministry sometime this fall.

Check-in

- We will provide one volunteer to check students in at each Check-in station.
- The doors to Project 5/Impulse will open 15 minutes before service.
- Everyone that enters the Project 5/Impulse rooms will be checked for fever with a touch-free thermometer. This includes volunteers and students.
- Everyone that enters Project 5/Impulse will be required to sanitize their hands as they enter.
- In accordance with the state mandate, everyone that enters Project 5/Impulse will be required to wear a mask.

Classrooms

- We will not have any candy giveaways in Project 5/Impulse.
- All surfaces and shared items will be cleaned and sanitized at the end of every service before the room can be used again. We will eliminate activities with items that cannot be easily cleaned.

Questions? Please reach out to us at any time!
