## Student Ministries Small Group Leader

The most effective way to reach students is through close relationships with caring adults. If you have a heart for young people, we invite you to prayerfully consider becoming a small group leader.

We believe that if you love Jesus and are willing to love and invest in a small group of same-gender students on a weekly basis, God will use you in an incredible way in the lives of those students.

Small groups are a central part of Pathway Student Ministries, and we invite you to prayerfully consider joining in!

### TIME COMMITMENT

Invest weekly in a small group of students (Aug - May).

### TRAINING

We are committed to developing you into the best small group leader our students could hope for.

### GIFTS & TALENTS

We believe God can use almost anyone in this role. Leaders with a variety of gifts can be very successful investing in students.
